Dear Grade 10 Parents and Guardians:

Greetings of Peace!

The Career Education Program of Assumption Antipolo aims to assist students in their career planning and exploration. The career planning of children is a family endeavor. Thus, parents play a very important role in their daughter's career discernment and decision-making.

In this regard, we would like to invite you and your daughter to a Career Planning Workshop on **November 9, 2019 (Saturday)** from **8:00 a.m. to 12:30 p.m.** at the **Mini-Theater**. The activity aims to equip parents and students with essential knowledge and skills, together with current trends and issues in career planning. It is also our desire to provide a venue for you and your daughter to collaboratively discuss and discern about her career choices.

Please see next page.
